IT ANTA BASE/COLONNE/PENSILI SPATOLATO VENEZIANO GRIGIO NEBBIA. ELEMENTI A GIORNO FACTORY GIALLO LIMONE. GOLA FACTORY ANTRACITE. TOP STRATIFICATO SILK.

Suggestioni vintage. Miami si esprime al meglio attraverso l'utilizzo di contenitori a giorno in metallo dal forte effetto grafico, che richiamano le grandi scaffalature di un tempo, citazioni chiare dell'immaginario industriale. La contaminazione di stili e materiali grezzi, rende questa composizione essenziale, di grande personalità, ma elegante al tempo stesso.

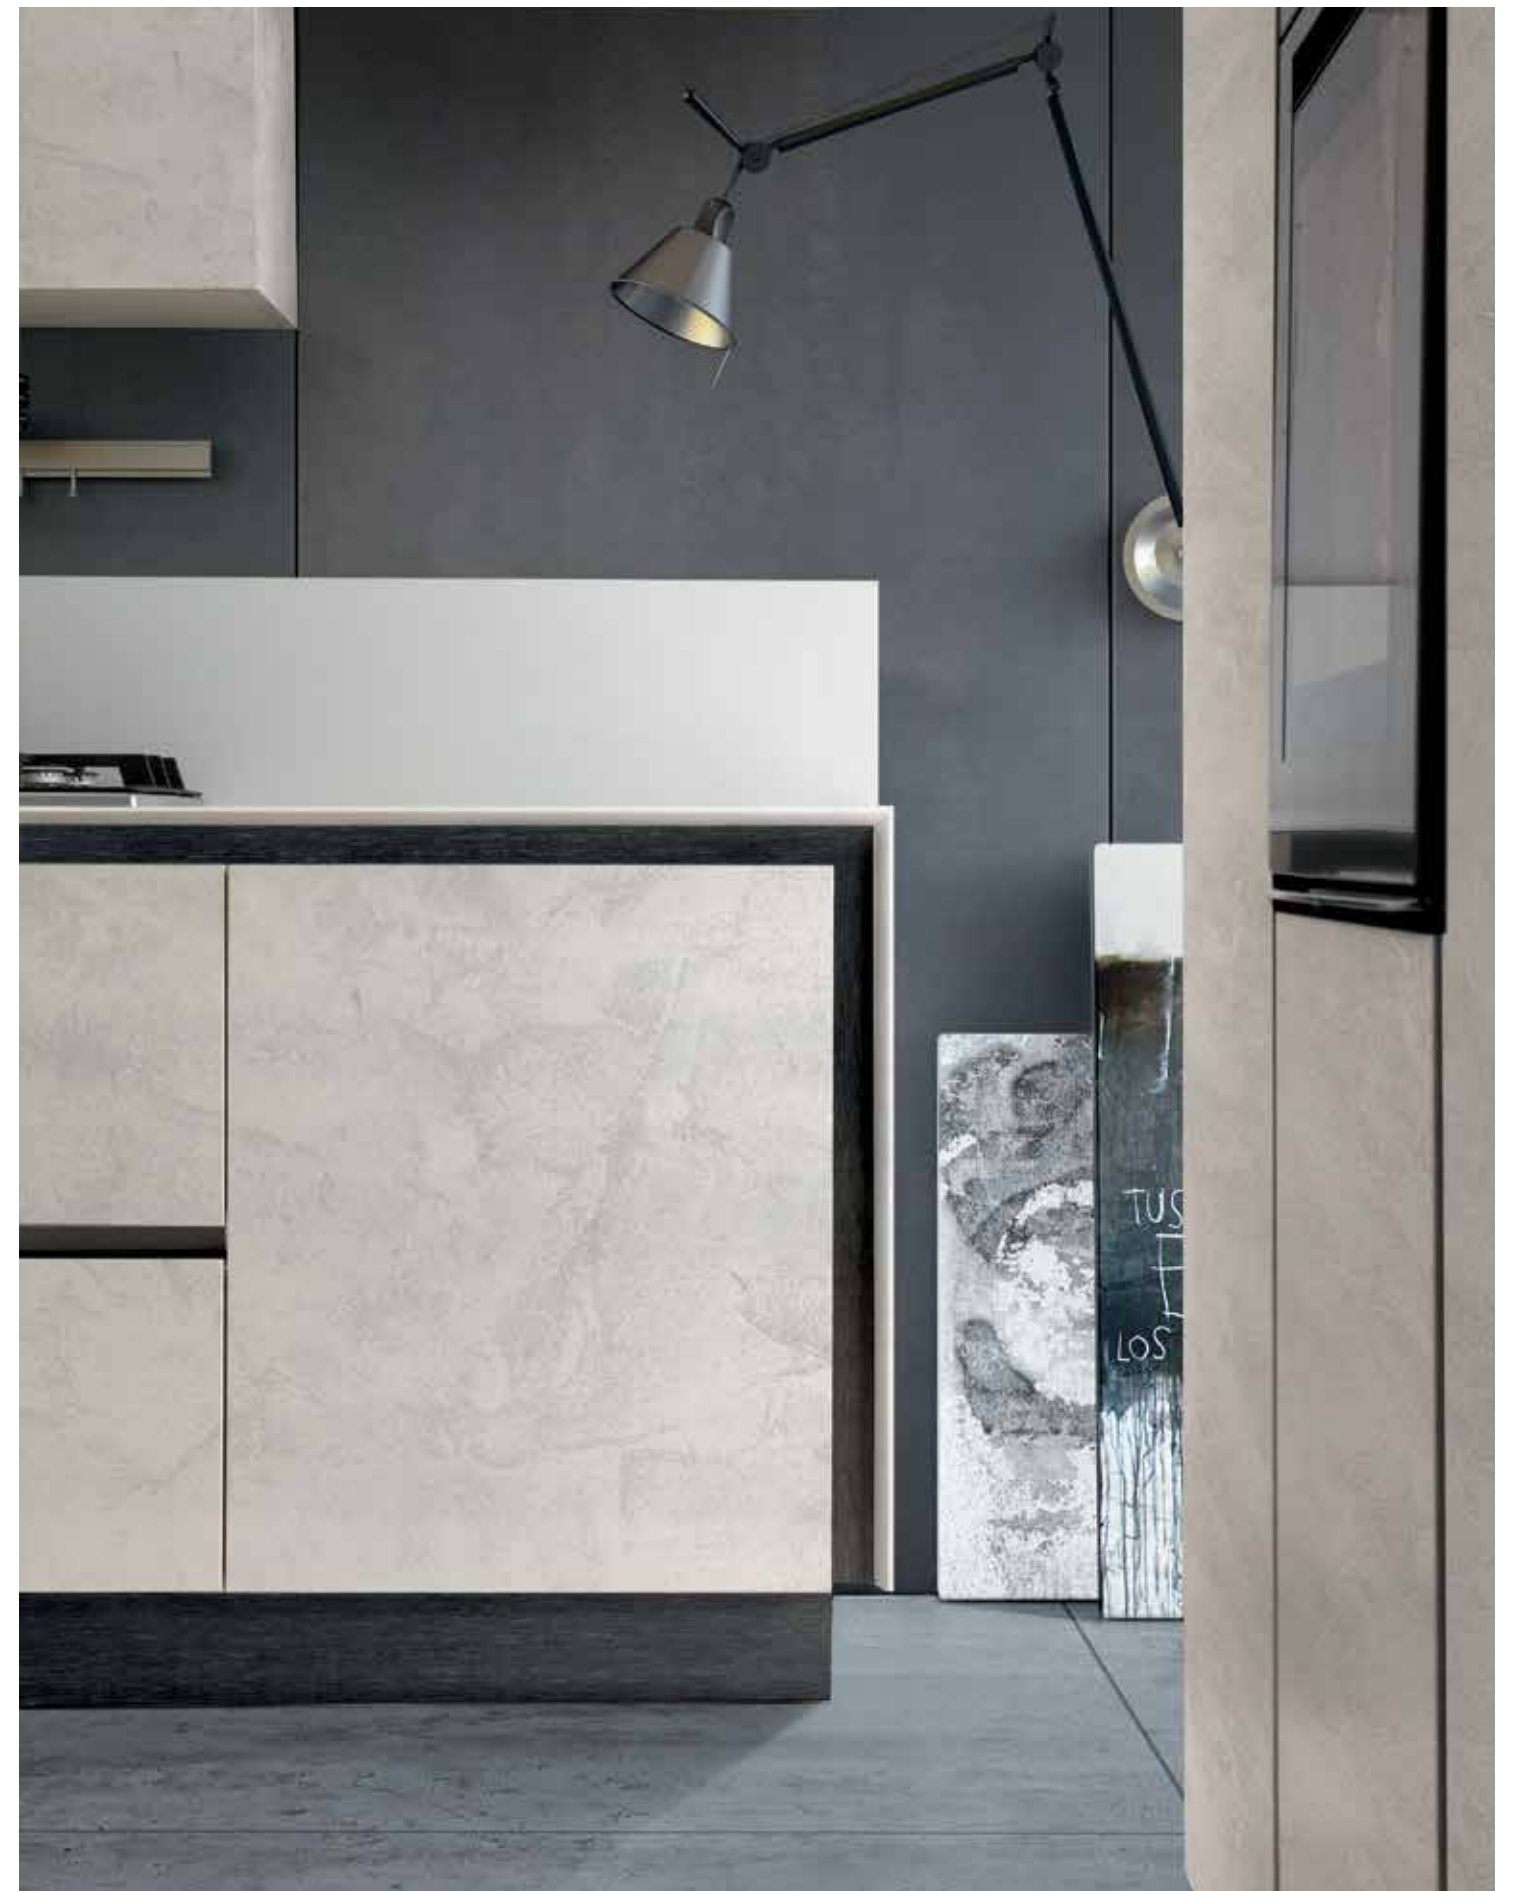

ENG BASE UNITS/TAIL UNITS/WALL UNITS MIST GREY POLISHED PLASTER. OPEN ELEMENTS LEMON YELLOW FACTORY. GROOVE ANTHRACITE FACTORY. WORKTOP SILK LAMINATE.

Hints of vintage. Miami best expresses itself through the use of open units in metal with a marked graphic effect, reminiscent of old-style shelf units and a clear reference to industrial imagery. The juxtaposition of different styles and untreated materials makes this a simple design with great personality, yet elegant at the same time.

FR PORTE BASE/ARMOIRES/ELEMENTS HAUTS BROUSSE VENETIEN GRIS BROUILLARD. ELEMENTS OUVERTS FACTORY JAUNE CITRON. GORGE FACTORY ANTHRACITE. PLAN STRATIFIÉ SILK.

Suggestions vintage. Miami s'exprime au mieux à travers l'utilisation d'éléments ouverts en métal au fort effet graphique, qui rappellent les grands rayonnages d'autrefois, des citations claires de l'imaginaire industriel. La contamination de styles et de matières brutes, rend cette composition essentielle, à la grande personnalité, mais élégante à la fois.
