RETHINK SIZE.

Unmatched Performance

CERA Grande Slabs are as durable as they're pleasing to the eye. They're impervious to scratches, chemicals, cooking stains and are resistant to heat.

Hygienic

Non-porous and seamless CERA Grande do not let dirt and bacteria settle in, making them ideal for kitchens.

Peace of Mind, Guaranteed

Forget maintenance woes. They are easy to clean, easy to care for and a joy to live with.

Space is where it all begins. An empty space, like a blank canvas, challenges the mind to push boundaries, while offering freedom to think and create. It's the greatest tool any designer could ask for. Presenting, CERA Grande, slabs so versatile, they don't dictate design, in fact, you use it like your mind desires. Think not just walls, or floor... think kitchen countertops, bathroom vanity tops, kitchen counters or window sills. The large sizes ensure seamless transition between walls and floors, creating the illusion of boundless space. The range showcases finishes inspired by marbles, granites, exotic stones, and woods in sizes never imagined before, and performance that surpasses their muse.

CERA Grande truly provides limitless freedom of choice to designers, homeowners and homemakers.

Now go ahead, bring alive the magic of infinite space, into your living spaces.
