

CERA

UNBOXING
SMILES

August 2023

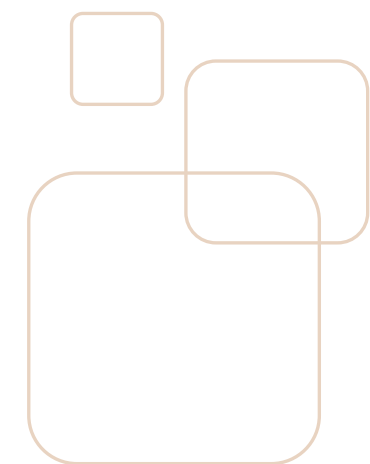

THIS IS YOUR *SPACE*.
PLAY IT *YOUR WAY*.

I N T R O D U C T I O N

At Cera, we believe that something as personal as your bathroom should be uniquely yours. Which is why, we are back to unbox the special smile that comes only with the freedom to design one's own space. Thanks to our new range of products, of course! Products that bring together modern living, luxury, innovation and style, while keeping your comfort and well-being in mind. So, go ahead, bring out that smile. Create your space, your way.

UNBOXING MODERN LIVING

When sophistication meets a state of calmness, we call it modern living. At Cera, we understand that a space as intimate as your bathroom must align with all that brings peace to your body, mind and soul. And we expect nothing less from products designed to deliver a rejuvenating bathing experience while instilling a sense of tranquility. Just what you'd want from a space you call your own.

A simple hand wave
activates the reduced
flush.

We've always believed here at Cera that innovation is never an end-goal to work towards. Rather, it's an everyday journey of raising the standards of our products to new levels. Innovation is hard work, but the result of what it leads to, is worth it every time. Our Vibe-Sense technology for EWCs is just one example of Cera building the future of bathroom experiences, one step at a time. We innovate because of you and your experience shapes our next steps. Innovation is a two-way street for us, a path we love walking with you.

Let's Unbox innovation with Cera.

A longer motion
activates the full flush.

UNBOXING STYLE

They say style is everlasting and personal, while fashion is always changing. We couldn't agree more. After all, it's how we create our products to complement your unique sense of style. Contemporary designs, a sleek finish, and just the right amount of glam to reflect your personality. Because it's not about what's in fashion. It's about what's you.

Notes: • Product upgradation is a continuous process in CERA. Therefore, the specifications may change from time to time. • Please verify the actual product for correct specifications, before purchase. • The colours of ceramic/plastic/stainless steel and other material used for manufacturing CERA range of products and those of printing inks do not match exactly. Therefore, colour selection may be done from actual products. • Whilst every precaution is taken in the compilation of our price list, we do not accept responsibility for any error or omission. • All dimensions are in millimetre (nominal). • Dimensional variations are inherent character of ceramic products and tolerances may be ±2% or as allowed/specified by BIS or Company's quality norms. • Prices are subject to change without prior notice. • Warranty of the product will become null and void if the installation is not done as recommended by the Company and/or if not done by qualified and trained technicians. • This supersedes all previous pricelists.
