# THE ORIGAMI COLLECTION

SIMPLE SOPHISTICATION, YOUR WAY.

A centuries-old tradition finding its roots in Zen Buddhism from Japan, Origami has come to represent more than the art of paper folding. It is, in essence, a way of life, defined by simplicity and balance.

The various textures and shapes in Origami add a sense of depth and meaning that is inspired by the delicate balance of nature.

The Origami Collection draws inspiration from this way of life, with designs that are sophisticated yet simple, and elemental in its appeal.

## F I A M M A

Inspired by one of the elemental forces of the world, fire, awe-inspiring in its grandeur and fury. The sleek silhouette of the Fiamma Range evokes passion and vitality and is reminiscent of the contours of flames.

A sense of elemental rapture takes hold of one's imagination when they enter a space that holds within it the radiant allure of the Fiamma Range.

## K A Y A K

The Kayak Range captures the grace, fluidity and elegance of a sleek sailboat discovering itself in the calm waters of the sea. The curved contours draw inspiration from the gentleness of waves, while the minimalist design evokes the freedom of exploring the open seas in search of new worlds.

## A S P E N

Influenced by the grace and beauty of a delicate leaf, and cutting-edge nano ceramics technology, the Aspen Range brings nature alive within the four walls of your space. Its organic shape and subtle veins evoke the comfort and tranquillity of an evergreen forest, creating a space that is harmoniously beautiful.
